This constitutes not only an agreement with CATS Cradle Shelter, but also a promise to my new cat.

☐ I agree to NOT DECLAW this cat. I understand that declawing a cat involves significant mutilation of the cat's feet and frequently results in negative behaviors (like biting and litter box avoidance) and physical problems (joint pain, gait changes, premature arthritis in the feet, shoulders, hips, or spine due to the post-surgical foot deformity). **As of 2020, the AVMA discourages declawing of domestic cats as an elective procedure.**

☐ I agree to make my adopted cat a part of the family. I agree to keep my cat INDOORS at all times.

☐ I agree to provide my cat with necessary vaccinations, as determined by my Vet. I will obtain immediate veterinary care if my cat becomes ill or injured.

☐ I understand that CATS Cradle cannot guarantee the health, temperament, or training of my adopted cat and hereby release CATS Cradle from any claim, cause of action or liability for any injury or damage to persons or property once the cat is in my possession. If my cat develops behavior issues, I agree to contact CATS Cradle.

☐ I agree not to abuse or neglect my cat in any way. If CATS Cradle determines my cat has been abused or neglected, I authorize them to remove my cat from my premises without process of law.

☐ I agree that if CATS Cradle determines that any of the provisions of the agreement have not been fully complied with, I will return this cat to CATS Cradle upon demand. If I fail to return this cat, CATS Cradle will have the right, without further notice or demand, to enter the premises where the cat may be, and remove the cat without process of law. I agree to waive all claims for trespass or damage.
